Sahay Sharma

FRONT END DEVELOPER / UI/UX DESIGNER

✉ sahaysharma73@gmail.com   📞 +91 9987162134   in /iamsahay   🔗 imsahay.in

UI/UX & Front-End Developer with 11+ years of experience in designing user-centered interfaces and building responsive, high-performance web and mobile applications. Proficient in Angular, HTML, CSS, JavaScript, and user research.

EXPERIENCE

Lead Product Designer
💼 12th Wonder Research India, Pune   📅 May 2021 – Nov 2024

- Led the UI/UX and front-end development of Titan TLM, a data visualization platform, delivering an intuitive, performance-optimized experience across web and mobile platforms.
- Conducted user research, created wireframes, and developed high-fidelity prototypes using Figma, aligning design strategy with business and user needs.
- Translated designs into scalable, reusable front-end components using Angular 13, ensuring responsiveness, accessibility, and cross-browser compatibility.
- Collaborated with product owners, engineers, and data teams to define interaction models and streamline the design-development workflow.

Sr. UI Developer
💼 Datamatics Global Services, Mumbai   📅 Mar 2016 – Jan 2021

- Redesigned and modernized enterprise platforms like Delarue and Pulse, enhancing user experience, accessibility, and interface consistency.
- Engineered responsive, component-based front-end architecture using Angular 4, driving performance and scalability across products.

UI Developer
💼 Lemosys Infotech Pvt Ltd, Indore   📅 Dec 2012 – Mar 2016

- Developed responsive, cross-browser front-end interfaces for high-traffic platforms like Housing.com (IREF) and ESSVE.
- Converted UI/UX designs into functional WordPress solutions with a strong focus on performance, SEO, and user engagement.
